## LOUDOUN COUNTY WELCOMES 2007 BABE RUTH WORLD SERIES *Marking the fourth time the county is awarded this prestigious opportunity*

Yesterday, one hundred and fifty 13-year old athletes from around the United States descended on Loudoun County for the 2007 Babe Ruth World Series. This year's event, held at Fireman's Field in Purcellville, will be the fourth year that Loudoun County has had the tremendous opportunity to play host.

Volunteers have spent months in preparation for the World Series, including the event's Grand Slam sponsor, Greenvest L.C. land development company whose communities include Cascades and Kirkpatrick Farms in Loudoun County. Greenvest employees, friends, and families have been planning, organizing, and fundraising for the event and will staff the concession and souvenir stands and parking lots during the World Series. This will be the second year that Greenvest has volunteered and donated to the event.

"We at Greenvest couldn't be more pleased with how this year's event is shaping up and we are excited for these children and their families to see Loudoun County and all that it offers," said Greenvest Vice President of Sales and Marketing, Christina Sanders.

The Babe Ruth World Series will run from August 16<sup>th</sup> through the 24<sup>th</sup> and all Loudoun County residents are encouraged to show their support by attending.
